

LC/APC pigtails & patchcords

	Performance	
Insertion Loss (Il)	Typical	< 0,06 dB
	Max.	< 0,15 dB
Return Loss (RI)	Typical	> 68 dB
	Min.	> 60 dB
Cable diameter	Min.	0,9 mm
	Max.	2,0mm
Material		LSOH
Operating temp	-10°C	+75°C
SM tuning	Optional	

Product Description

- × Cable colors: yellow (SM) or customers' option
- × Single Mode fiber 9/125µm
- × Standard APC 8° = green body
- × LSOH
- × Fiber conform ITU G652.D
- × Connector body from composite plastic
- × Connector variants: Simplex and Duplex
- × Testing and performance according: IEC60068-2-14, 60794-1-2, 60874, 61300

Features

- × Zirconium ferrule
- × Custom and standard length cable assembly
- × Low insertion loss and high return loss
- × Easy installation

Applications

- × Telecommunications
- × CATV systems
- × LAN's (Local Area Networks)
- × WAN's (Wide Area Networks)
- × FTTH (Fiber to the Home)
- × Test equipment
