

## SC/UPC pigtails & patchcords

	Performance	
Insertion Loss (Il)	Typical	< 0,06 dB
	Max.	< 0,15 dB
Return Loss (RI)	Typical	> 55 dB
	Min.	> 50 dB
Cable diameter	Min.	0,9 mm
	Max.	3,5mm
Material		LSOH
Operating temp	-10°C	+75°C
SM tuning	Optional	

## Product Description

- × Cable colors: yellow (SM) or customers' option
- × Single Mode fiber 9/125µm
- × LSOH
- × Fiber conform ITU G652.D
- × Standard UPC = blue body
- × Connector body from composite plastic
- × Connector variants: Simplex and Duplex
- × Standard ultra polished

## Features

- × Single fiber connectivity system
- × Circular 2.5 MM ferrules centered in splitted coupler sleeve.
- × Physical contact through 8° or 9° angled-convex polished ferrules with inner axial spring mechanism.
- × Latching mechanism: Push-Pull
- × Tensile resistant

## Applications

- × Fiber to the Home (Ftth)
- × Telecom WDA/DWDM-Systems
- × MAN and WAN
- × CATV
